## SUMMER PICNIC

The 2007 Wildflower Meadows Summer Picnic was held on Saturday, September 15th at the Wildflower Meadows Condominium Model. There was approximately 40 attendees. Each family brought a

dish to pass. There was a variety of salads as well as many delicious desserts. Greg grilled burgers, dogs and brats. We had a “games” table set up with bubbles and kites. The kids played together as the adults got to know each other a little better. Everyone seemed to have a great time. The youngest neighbor in the Wildflower Meadows Community had everyone smiling. Let’s make this “our First Annual”

## WELCOME HOME

WELCOME... the 29th family has recently purchased their new home on Senna Trail. Congratulations Phil & Jennifer on becoming part of the Wildflower Meadows Community

## WILDFLOWER UPDATE

As the season turns to fall, the wildflowers are still very vibrant, especially along the rain gardens and the entrance off Herbison near Wineleaf Lane. The little purple flowers are called “New England Asters”

## SALES OFFICE

We’ve moved into our sales office located in the “Chicory” our model home located at 407 Snapdragon. We have displayed our plans in the track lit gallery, our selection room is underway and we have a meeting room with comfortable new furniture to sit and review plans or just have a cup of coffee and visit for a minute. We feel it’s a more comfortable place to do business. Stop by and see our new sales office as we get settled in.
